CAPTAIN HAN SOLO

@captainhansolo

Luke, I don't care if it is good PR and helps with rebel alliance recruitment. I'm not tweeting on this account you set up for me. Forget it. Consider this my first and last tweet.

CMDR. LUKE SKYWALKER

@commanderlukeskywalker

Han, you will use your twitter account as your personal diary, letting the whole universe in on your most private thoughts and deepest insecurities.

#JediMindTrick #WeakMinded #VeryWeak

CAPTAIN HAN SOLO

@captainhansolo

Dear Diary, It has been very cold here on Hoth, but not nearly as cold as Leia's cutting wit. I act like her icy put downs don't hurt me, but they do, like icicles straight through my heart. Stay strong, Han. Stay strong. #BeBest

HASHTAGS FROM HOTH

@HashtagsFromHoth

Nobody tell him. I mean nobody!

3PO, I'm looking at you!

THANDRA
@thandra

Hi! Just moved to the Hoth area and am interested in “connecting” with a cute rebellious guy to help warm me up on this Burr! cold planet. DM me to light that fire.
#NotAProbeDroid

GENERAL RIEEKAN

@generalrieekan

Everyone watch out for Imperial Probe Droids on phishing expeditions. Make sure you complete your Online Security Training. #Mandatory #DueMonday

CAPTAIN HAN SOLO

@captainhansolo

Hi, Thanadra! You sound like fun. Ever pet a Tauntaun? I'm on patrol right now, maybe I can swing by and see about lighting that fire with this match I have in my pocket. Don't want you to freeze. So, where you at, girl?

THANDRA
@thandra

Hi, Han. I'll come to you. I just need precise coordinates and the location of your base's power generator. Hope you like power generator nerds, cause that's just the kinda silly girl I am. Hee-hee! ;-)

CMDR. LUKE SKYWALKER

@commanderlukeskywalker

What do I and the planet Geonosis have in common? We both have rings! Popping the question to Leia today after my patrol ends. Just need to check out this meteorite first.

#WishMeLuck #LukeAskedFirst

CAPTAIN HAN SOLO

@captainhansolo

Is that your rank insignia, General?

Or do you just have
a bad sore throat?

#JohnKerryReportingForDuty

CMDR. LUKE SKYWALKER

@commanderlukeskywalker

Did you ever see the movie THE HANGOVER?
That is so me right now. Woke up hanging
upside down in an ice cave and can't
remember anything. Roommate is no help.
He's just like, I'm eating, don't bother me.

ECHO BASE DECK OFFICER

@echobasedeckofficer

So, Solo calls me over, and I'm thinking he's finally going to thank me for all my hard work and long hours. Nope, starts yelling at me because HE doesn't know where Skywalker is. I'm a deck officer, not a babysitter. #SoSoloSays

MAJOR BREN DERLIN

@majorbrenderlin

So Solo says to me, "Then I'll see you in Hell."
Ah, someone wanna tell me what "Hell" is?
Is it a city? A restaurant? Cigar bar?
#SoSoloSays

LIEUTENANT CAL ALDER
@lieutenantcarlalders

#SoSoloSays to me, "You're pretty good with those tools. Think you can get a jammed tape out of a VCR? My friend's VCR."

CMDR. LUKE SKYWALKER

@commanderlukeskywalker

Okay, I don't want to turn my twitter account into one big Wampa roommate RANT, but could this cave be any colder today? It's already an ICE cave! Do we really need the A/C on full blast? #PowerBill

CMDR. LUKE SKYWALKER

@commanderlukeskywalker

Look, I'm as cool as the next guy, but how much weed does one Wampa need to smoke?

Really.

HASHTAGS FROM HOTH

@HashtagsFromHoth

Hey, my feet are iced to the ceiling, but I still use my Force power to pick up around the place.

Wampa, opens up a Pop-Tart and the wrapper immediately goes on the floor. Dude, you're standing right next to the trash can!

CMDR. LUKE SKYWALKER

@commanderlukeskywalker

Good news, I'm starting to remember something from yesterday.

Bad news, I'm remembering Wampa breath, getting sucker punched and leaving white Doug on the roof of Caesars.

CMDR. LUKE SKYWALKER

@commanderlukeskywalker

Great, my roommate has his girlfriend Wampa over here...AGAIN! Like, at what point is she going to start paying a third of the rent? Seriously, this is where she sleeps, eats and studies for her paralegal degree, which she has to tell everyone she is getting.

CMDR. LUKE SKYWALKER

@commanderlukeskywalker

Had a good talk with my roommate to hash things out. He told me he felt like I was rude to his girlfriend, talked about the Force too much and never watered the plants. Guess I had my share of issues, too.

CMDR. LUKE SKYWALKER

@commanderlukeskywalker

Okay, you tell me if I overreacted. Watching TV and my roommate comes in and just picks up the remote and changes the channel, like I'm not hanging upside down right there watching FRIENDS. So, I cut off his arm with my lightsaber. Yes, No, Maybe?

#TheOneWithTheSeveredWampaArm

CMDR. LUKE SKYWALKER

@commanderlukeskywalker

You know, I'm half dead in an icy daze, but I can't stop thinking about one thing. If I could only get all this snow and ice back to Tatooine, I'd make a killing on the moisture market. You can take the boy out of the moisture farm, but you can take the moisture farm out of the boy.

CAPTAIN HAN SOLO

@captainhansolo

Found a wedding ring in the snow! Yeah, it was right next to Luke. What are the odds? Now, if that's not the universe saying Leia and I belong together, I don't know what is. #BenSolo

MEDICAL DROID 2-1B

@medicaldroid21b

#SoSoloSays, "You look strong enough to pull the ears off a Gungar."

WTF? How sadistic does your mind have to be to go there? And they gave this guy a medal? Sheesh! Seriously, what the hell did a Gungar ever do to him?

CMDR. LUKE SKYWALKER

@commanderlukeskywalker

Crap! I can't find the ring anywhere!
The last place I know I had it was leaving
the Wampa cave. If I lost it in the snow,
then I'll never find it. Unless...

CMDR. LUKE SKYWALKER

@commanderlukeskywalker

Just spent two hours searching every square inch of a decaying Tauntaun corpse. No ring. No idea where it could be now. Unless...

CMDR. LUKE SKYWALKER

@commanderlukeskywalker

Just spent another two hours looking in piles of Wampa doo-doo to see if a Wampa ate part of the Tauntaun with the ring in it and then pooped it out. No luck and no ring. And...

CMDR. LUKE SKYWALKER

@commanderlukeskywalker

...my old Wampa roommate comes along with his girlfriend and sees me elbow deep in a Wampa turd. Thankful he didn't say anything. Just had that annoying smirk of his, as always. You know, I'm glad I cut his arm off. #Lefty

CMDR. LUKE SKYWALKER

@commanderlukeskywalker

Losing the ring wasn't so bad. My face looks like the business end of Hamburger Helper, so I need time to heal up. Besides, you should have seen the kiss Leia gave me right in front of Han. Don't think I have ANYTHING to worry about.

TIE Pilot TK-133 Darkstar

Yes, but fly close to the windows.

Okay, but it's just weird. I mean,
it doesn't seem just a bit strange to you?

TIE Pilot TK-231 Nightsky

so, shut up and fly!

TIE Pilot TK-133 Darkstar

@tiepilottk133darkstar

@ioncannoncommander

Hey, Star Destroy Captain,

It's your favorite scene, you know, where
they are chanting, "Fresh Fish!"

Hey, Star Destroyer Captain,

No, GO FISH!

@stardestroyercaptain

At least we don't look like a giant egg with a gray chicken hatching out of it. Or is that a lactating breast I see down there? Are you size DD for Dumb as Dirt?

COMM. OPS COORDINATOR

@CommOpsCoordinator

So our Transport escape flight has been delayed for takeoff for 30 minutes now. Just hoping we are still going to be able to make our connecting flight on Coruscant. Ugh! That spaceport is the worst!

COMM. OPS COORDINATOR

@CommOpsCoordinator

Delayed for an HOUR now and the two idiots in front of me will not shut up! Funny thing, you would think hearing all about working in the rebel procurement department would be boring as crap. And it is. So very, very boring.

COMM. OPS COORDINATOR

@CommOpsCoordinator

So our transport finally takes off and I'm looking out the window and all I see is one X-Wing escort. One X-Wing against a Star Destroyer?!!!!

What else are they cutting back on? Please tell me we still get free peanuts on these things?

COMM. OPS COORDINATOR

@CommOpsCoordinator

And now the fasten seat belt sign is on, so drink service (which I am in badly need of) has been delayed.

#WorstEvacuationEver

Someone wanna tell me where the blasts from the ION Cannon are? What are they doing down there? How hard is it to pull the trigger on a cannon? What are they doing with their fingers?

ION CANNON COMMANDER

@ioncannoncommander

Hey, Star Destroy Captain,
Give a man a fish and he has a meal for a day,
but shoot a Star Destroyer with a couple of
blasts from the v-150 Ion Cannon and a rebel

Hey ION Cannon Commander,
Opps! That 2nd transport didn't get away.
Got anything funny to say about that?

ION CANNON COMMANDER

@ioncannoncommander

My brother was on that transport.

STAR DESTROYER CAPTAIN

Hey, listen, we're all just following orders up here, right? But for what it is worth, I'm sorry about your brother. Nothing personal.

Hey ION Cannon Commander,

Don't they call ion cannons "planet defenders?"
So, what's up with that?

#YouHadOneJob #Scoreboard

ION CANNON COMMANDER

Hey Star Destroyer Captain,

I tip my cap...

We just got stepped on and crushed
by an AT-AT Walker.

STAR DESTROYER CAPTAIN

@stardestroyercaptain

Yeah, they do that.

WEDGE ANTILLES

@wedgeantilles

Okay, first we're told our laser blasts don't work on the AT-AT's armor. Yet, I just saw one get blown up with, Yep, you guessed it, LASER BLASTS! Can we please get our department policy straight here?

CMDR. LUKE SKYWALKER

@commanderlukeskywalker

Dak, we hardly knew ya.

WEDGE ANTILLES

@wedgeantilles

Okay, now I just saw an AT-AT walker get blown up by a single hand grenade. Why aren't we all just dropping hand grenades on these things?

WEDGE ANTILLES

@wedgeantilles

Okay, admit it. Who has stopped fighting and is just watching that little chicken AT-AT Walker running around on 2 legs? So cute! It's like it is take your kid to work day for one of the AT-AT Walkers.

SNOWTROOPER TK-924

Yeah, but it'd be more like if there was just a single carton left of free range organic locally harvested eggs on the shelf and right before you grabbed them, someone else took them first. Now that's getting Vadered!

DARTH VADER

@darthvader

Look, sorry about your base getting over run. Just doing our jobs. And I get the comparisons to Nazis, the Soviet Union and North Korea, but can you all please stop calling us The New York Yankees? #Limits

CMDR. LUKE SKYWALKER

@commanderlukeskywalker

So my R2 unit wants me to let him take over and fly my X-Wing. Sure, R2, like I haven't seen 2001 about a million times.

“Open the pod bay doors, R2?” Not happening.
(And, no, conspiracy nuts, Kubrick didn't fake the Death Star blowing up. That was all me.)

STAR DESTROYER CAPTAIN

@stardestroyercaptain

To my other Star Destroy Captains, I know that was a close call, almost running into each other, but seriously, we should try that again with 10 Star Destroyers and it would be like a giant mouth in space with Star Destroyer teeth closing. Tell me that wouldn't look cool?

CMDR. LUKE SKYWALKER

@commanderlukeskywalker

The Empire invades my base, my girlfriend takes off with a complete jackhole, crashed my X-Wing in a swamp, my droid gets eaten by a dragonsnake and my flashlight gets stolen by a Moldy Oompa Loompa. And it still just 2:45 pm.

CMDR. LUKE SKYWALKER

@commanderlukeskywalker

I would say Yoda has this old person smell about him, but I got a feeling he always kinda smelled like this.

CMDR. LUKE SKYWALKER

Trash? What, like your mom?

BOSSK

You always got to take it there.
No, I'm thinking like a trash receptacle.

Thinking I should propose to Leia when we get to Cloud City. Hell, ring didn't cost me anything, right? But then I'm like, what if she replies, "I'd sooner marry a Wookiee!" Just be so painful, again. A wookiee, she says.

CAPTAIN HAN SOLO

CAPTAIN HAN SOLO

@captainhansolo

Hey, I'm at dinner with this bounty hunter and I know him from somewhere, but I'm too embarrassed to ask. I'm trying to get Chewie to help me out, but he's worthless, stuffing his big, fat, hairy face. Porg good, Chewie? Yeah, make sure you leave room for the Ewok chops.

PRINCESS LEIA ORGANA

@princessleiaorgana

So I tell Vader, I'm not dating either Han or Luke, just to shut him up and then Vader says, "Good" in a way like he's thinking he's gonna ask me out now. And that's when I threw up my potato salad all over Lando.

CAPTAIN HAN SOLO

@captainhansolo

I know where I know this Fett guy from!
That water moon in the Pana System!
Seemed much more animated back then.

#Talisman #SleepVirus #HappyLifeDay

PRINCESS LEIA ORGANA

@princessleiaorgana

Is it me or does Boba Fett smell like he was sitting in garbage all day?

CAPTAIN HAN SOLO

@captainhansolo

Stormtroopers can't shoot for crap, but damn if my wine glass has not gone below the halfway mark all night. Hey, if the Empire is picking up the tab, keep it coming.

BOBA FETT

@bobafett

Lando starts whining to Vader that we are in a gas mining facility and I have a live missile on my back. Great, so Vader orders me to deactivate it. Like I'm going to accidentally fire it at dinner down someone's throat.

LANDO CAIRISSIAN

@landocairissian

Someone can't fire their missile!
Someone can't fire their missile!

#KennerMuch

BOBA FETT

@bobafett

Lando, I hope you choke!

CAPTAIN HAN SOLO

@captainhansolo

Is he evil? Yes, can't dispute that, but I also can't stop laughing at Vader's Jar Jar Binks stories of when he was a kid. That guy sounds hilarious! Why can't he be here now?

PRINCESS LEIA ORGANA

@princessleiaorgana

How drunk is Han? Well, he just let one rip and #SoSoloSays:

“Here, Lando, mine that gas cloud!”

#foulstench

CAPTAIN HAN SOLO

@captainhansolo

At dinner, Lando and I are telling everyone the story about how we first met and me winning the Falcon off of him in a card game. They were just cracking up and totally enthralled, edge of their seats! I swear, if we made that story into a movie, it would make a billion dollars guaranteed!

HASHTAGS FROM HOTH

@HashtagsFromHoth

I know the odds are a million to one against me, but screw it, I'm still gonna ask Leia to marry me tonight. Like, right now. Like now.

#NeverTellMeTheOdds

HASHTAGS FROM HOTH

@HashtagsFromHoth

And I can't find the ring! Think Vader accidentally took it when he stole my blaster. On the floor, maybe?

HASHTAGS FROM HOTH

@HashtagsFromHoth

So I'm scanning the floor looking for the ring and Vader gets all suspicious. So I say I dropped my lucky dice. Vader laughs, asking, "How lucky could they have been?"
Darth Rickles over here, everybody!

CAPTAIN HAN SOLO

@captainhansolo

Crap! Boba Fett found the ring. And he's all like, "Did anyone drop a wedding ring?" Leia's like, "Don't look at me. No ring on this finger." Vader's like, "Maybe we can fix that." WTF!!!! Did he really just say that?!!!

CAPTAIN HAN SOLO

@captainhansolo

So Boba Fett's keeping the ring! Hello, there is a Cloud City lost and found! What can I do, say it's mine right in front of Leia? She won't even say we're dating, for crying out loud. And now she's totally giving eyes to Vader. I swear it!

PRINCESS LEIA ORGANA

@princessleiaorgana

Most interesting thing I learned at dinner tonight? Ruling the Galaxy for Darth Vader is just his day job. His real passion?

Music. Have to say, I admire that. And he dances. Have any other surprises, Darth? God, I'm calling him Darth now. #wine

CAPTAIN HAN SOLO

@captainhansolo

Chewie, don't ask to hear what he's done.
Chewie, don't ask to hear what he's done.
Chewie, don't ask to hear what he's done.
Chewie asked to hear what Vader's done.

CHEWBACCA

@chewbacca

Listening to Darth Vader's House Music Demo tape. Should I lie and say it's good or be honest with him and say stick to galaxy ruling. I mean, seriously, it is hold your ears and howl bad! It's Nickleback bad and I don't say that lightly.

CAPTAIN HAN SOLO

@captainhansolo

So I'm finally alone with Vader in the torture chamber and I explain the whole ring mix up. Vader says, "Dude, if I really wanted to torture you, I'd get your ring back from Fett and let you and Leia go, but, you see, there's still a little part me that's good inside and I just can't let you fall off that cliff, Bro. You'll thank me. You will."

PRINCESS LEIA ORGANA

@princessleiaorgana

Just told Han I loved him!
So, yeah, guess this is happening now!

#LukeYouAreReallySweetBut...

#DarthItWasAcrazyThoughtbutNoWay

PRINCESS LEIA ORGANA

@princessleiaorgana

Han, what do you think of these colors in the carbon freezing chamber? This blue and orange would look great in our future dinning room. Plus it would always remind us of when I first said I loved you. Right?

PRINCESS LEIA ORGANA

@princessleiaorgana

Han, Hope you don't mind a big wedding, because I'm gonna have about twenty bridesmaids. So you're gonna need twenty groomsmen. I want balance in the universe and in my wedding photos.

PRINCESS LEIA ORGANA

@princessleiaorgana

Han, What's Chewie gonna do now that we are together? You know I have fur allergies, right? Now that we are in love we'll be spending so much more time together. Although, there are other options. Would it be culturally insensitive to ask a Wookiee to shave his body hair?

PRINCESS LEIA ORGANA

@princessleiaorgana

And, Han, the Millennium Falcon? It is so not kid friendly transportation. I mean, not one child car seat latch onboard. So enjoy the Falcon while you can, because that's gonna have to go, too.

CAPTAIN HAN SOLO

@captainhansolo

Vader, are you gonna freeze me or what?
Stop dragging your feet already and let's
get this show on the road! Carbonite ain't
freezing itself!

C3PO

@therealC3PO

The Claw! Captain Solo has been chosen!

#YouGotAFriendinMe

PRINCESS LEIA ORGANA

@princessleiaorgana

Is it me or does Han's frozen face in carbonite looked oddly relieved? Like he dodged a bullet. Like, he's almost happy he's frozen. Guys, when a man says, "I know," that's same as "I love you, too," right????

HASHTAGS FROM HOTH

@HashtagsFromHoth

Han, You'll be happy to hear that the the block of carbonite you are frozen in plays MP3s. I'm gonna load you up with my sickest beats. Ask, Chewie. He told me he really liked them. Said they were good.

STORMTROOPER TK-198

@stormtroopertk198

So, Boba Fett's like, load Solo aboard the Slave One and we're like, we're not movers. We bring Solo to the ship, that's it. We don't load. Union rules. Plus ship is full of boxes from IKEA already. Like, don't you think ahead, idiot?

PRINCESS LEIA ORGANA

@princessleiaorgana

Watching Boba Fett take off in the Slave One with Han onboard has been devastating for me, but Han and I will work through this. Also, did I remember to turn off the iron in our Cloud City hotel room? I did, right?

DARTH VADER

@darthvader

Just got Vadered by my own kid in the carbon freezing chamber. They grow up so fast.

#HarryChapin

DARTH VADER

@darthvader

I know he is trying to kill me and all,
but the kid sure can swing a stick.

#impressive

DARTH VADER

@darthvader

Luke, if you only knew the power of the Dark Side and the benefits of our amazing dental plan.

DARTH VADER

@darthvader

So, I tell Luke I'm his father. Takes that well. Tell him Leia just isn't into him. Devastated. Tell him, she's probably more into older guys, like me. And he jumps to his death.

DARTH VADER

@darthvader

Hey Luke, Guess who my dad was? No one! Midi-chlorians. Oh, and then I was a slave boy until I got drafted into being a Jedi padwan at age nine! Still wanna whine about your Daddy issues?

DARTH VADER

@darthvader

My hand was cut off! Poor, Luke! Do you wanna guess how many limbs Obi-wan cut off of me when I was your age? Three! Three limbs! Then the Emperor just suited me up and I was back on the job - Next Day!

PRINCESS LEIA ORGANA

@princessleiaorgana

Is it me, or is Lando enjoying watching R2 plug into the main computer of Cloud City a little too much? Does this guy have a thing for droids or something? And why is he taking video of it with his cellphone now?

STORMTROOPER TK-198

@stormtroopertk198

So they tell me Lord Vader wants the hyperdrive deactivated. I say, "Why not deactivate the whole Falcon? Why risk them taking off at all?" They say, "Lord Vader didn't say the whole ship, just the hyperdrive. Those were his exact orders!" You know what, fine, hyperdrive deactivated. Get Vadered, see if I care, idiots.

LOBOT
@lobot

Hey, Bepin Cable, I don't pay \$175 a month to get a fuzzy picture! It's like someone is out their doing pull ups on our damn antenna! Fix it! Fix it now!

#CuttingCable

CMDR. LUKE SKYWALKER

@commanderlukeskywalker

Ben is not picking up his Force line, but then I see Leia is now in my Force directory. I'm thinking, must be a mistake, but whatever, I'm calling her. Not like the underbelly of Cloud City has Uber.

CMDR. LUKE SKYWALKER

@commanderlukeskywalker

After I end my Force call to Leia I couldn't help but notice she has this vision in her head of Han as a fireman, but he only has a helmet and boots on. No pants. I know I'm new at this whole Jedi thing, but that can't be good.

CMDR. LUKE SKYWALKER

@commanderlukeskywalker

So, Leia greets me with a hug and leaves me hanging on the kiss. So, I'm feeling great right now. Especially with fireman Han now firmly implanted in my head. Plus Darth Vader's my dad and my hand's gone forever along with my lightsaber. So Happy Tuesday Everyone!

CMDR. LUKE SKYWALKER

@commanderlukeskywalker

Okay, like I've known Vader to be my Dad for an hour or so and he's just Force calling me all the time now. Dad, I say, it's gonna take time. Can't FORCE it. We both realize what I said and laugh at the same time. #LittleThings

CMDR. LUKE SKYWALKER

@commanderlukeskywalker

Wait, so now Leia kisses me? This is gonna drive me crazy! Dad, you should have just cut something else off while you were at it with my hand, cause I'm gonna go nuts if it's gonna be like this all the time now.

R2-D2

@r2-d2

So I get the Death Star Plans off the Rebel Blockade Runner and deliver them safely to Yavin, so they can destroy the Death Star.

And now I activate the Millennium Falcon's hyperdrive allowing everyone to escape.

So where "R" my "2" medals? #YouTheRealHero

STORMTROOPER TK-198

@stormtroopertk198

#VaderGettingVadered is trending!

Please tell me the Falcon got away while Vader watched and then goes sulking off. Someone has to post the security video of that!

I so need to see this! LMAO!!!! Idiot Vader!

CMDR. LUKE SKYWALKER

@commanderlukeskywalker

Watching Lando and Chewie fly away in the Falcon for Tatooine and I do the whole arm stretch thing and put it around Leia and... she pushes me away. You tell me what's worse. Being stuck in carbonite or the friend zone?

CMDR. LUKE SKYWALKER

@commanderlukeskywalker

You know what the weirdest part about me going back to Tatooine is going to be? Now that I've sold the farm, if I need moisture, I'm going to have to buy it from someone else. Just when you think life couldn't be any crazier. That.
